## Permission Slips

### Field Trips

As required by California State Law, all passengers must be seat belted. Children under eight years old or under 4 feet 9 inches must be in a car seat on all field trips. Any child under eight years or or under 4 feet 9 inches without a car seat will not be able to attend the field trip. For liability reasons, teachers are unable to drive students. If you are unable to attend a field trip, the school will facilitate the arrangement of transportation with an attending parent. Children for whom transportation cannot be arranged will need to stay at school with one of the teachers.

\*In order to drive on a field trip for NPNS, you must have a minimum of 100/300/50 insurance coverage (\$100,000 liability per person, \$300,000 per accident, \$50,000 property) and a current copy of your policy on file at the school. Please attach a copy of your insurance policy to this form if you would like to be available to drive other students.

I give permission for \_\_\_\_\_ to go on supervised field trips with the Novato Parents Nursery School. I understand that if transportation with a parent cannot be arranged for my child, he or she will stay at the school with a teacher.
