Consent for Background Check

As a working caregiver, consent to a criminal background check is required. Due to the fact you are interacting in a classroom with children, violent crimes, crimes involving minors, or sex offenses will prohibit you from volunteering in the classroom, and may prohibit your child from being enrolled.

These records are private, and your privacy will be maintained. The employees will be the only members of the community with access to these records. If your records are not easily accessible, Novato Parents Nursery School may request you complete fingerprinting at your own expense.

I _____ [caregiver name] authorize the employees (teacher and director) of Novato Parents Nursery School to conduct the background check.
